FORMULATION FLEXIBILITY

Our proprietary technology enables product customization to give our customers a true competitive advantage. Choose your clean label base:

JusFruit

Made from 100% fruit or vegetable derived ingredients, with only naturally occurring sweetness. Free from artificial colors, flavors and preservatives.

Puree+

Only puree & citrus fiber possible on ingredient listing (flavor optional)

Fiber+

Perfect high fiber, low sugar base for healthier snacking products. 25g+ fiber per 100g of TAURA product.

Inclusions

Let's discuss how we can infuse exciting textural or health elements into our formulations. Our specialized post-dosing capability empowers you to craft differentiated and memorable snack products that will captivate consumers' interest.

Possibilities include:

- Cacao nibs
- Roasted coffee bean particulates
- Toasted buckwheat
- Mint crisps
- Oat flakes
- Chia seeds
- Puffed rice or quinoa
